

Message from Honorary Secretary

I am really happy to learn that the Department of Business Administration is organizing a National Conference on Marketing and Sustainable Development on 13rd & 14th October 2017. The Department of Business Administration is one of the most vibrant departments of the Institute and has been actively contributing to the industry in the job market over the last many years.

I congratulate the organisers for attracting a wide range of papers from experts in their fields. It is my pleasure to welcome all the invited speakers and delegates to Annamacharya Institute of Technology and Sciences (Autonomous), Rajampet, for the conference and wish them a most informative and enjoyable conference.

I extend my best wishes for a grand success of this conference.
